From The East - Master's Message

Greetings Brethren,

The month of March will be excellent as we prepare for two Initiations. It is exciting and encouraging to see that fine men still seek the light of Freemasonry. More importantly, let us ever remember that upon becoming members of Alhambra Lodge 322, they are entrusting us to guide them on their Masonic journey. Let us do them justice in the exemplification of the degree and by being in attendance.

As I mentioned last in last month's trestle board, I believe it the duty of the Lodge's Master to assist the brethren in their pursuit of Masonic education. But I wonder, how many of us still seek it out? And what have you done with what you have learned? Upon becoming a Mason, did you truly become a better man?

None of us are perfect, we are but rough ashlar. Therefore it is necessary that we dust off our working tools and allow the craft to guide our hands and employ them to our benefit.

The word for the month is: Initiation.

What does it mean in Freemasonry? What about the other mysteries? Or in life? – let us ponder.

To work brethren for the gong sounds yonder!

Fraternally,
Hugo Lara, PM

From The West - Senior Warden's Message

Brethren,

This March is busy month with two Entered Apprentice degrees scheduled. Let us support the Lodge, Master and candidates with your attendance. The first initiation will be held on March 18 and the second on March 25, 2019.

As we accept our newly initiated brothers, be mindful that Masonry alone will not teach them the moral and social virtues that are expounded during the degrees. It is inherently placed upon the craft, to demonstrate and guide the newly initiated. Through our actions and behavior we illustrate how those moral and social virtues are applied in our daily life and in our interactions with each other.

Ignorance breeds fear, Masonry provides the knowledge to remove fear from our hearts and minds.

Fraternally,
Wor John Harney, PM

From The South - Junior Warden's Message

Greetings Brethren,

As we are in transition in the South, I want to take this opportunity to thank Eduardo Morales, Past Master of Maya Lodge, and our current Tyler, for all his work throughout the years.

He has provided meals and refreshments for many of our weekly meetings, and assists with ensuring that our stated meeting dinners run smoothly.

He has done this while not seeking out recognition or boasting of all his hard work. He serves with humility and zeal. And his labors have yielded many happy and content brothers and satisfying their appetites after a long day of Labors. Let us learn from his example.

Brother Morales,

On behalf of Alhambra Lodge 322, Thank you for everything you do and who you are.

Fraternally,

Hugo A. Lara P.M.
